

# ASIC Register Assistant

ASIC Register Assistant manages the electronic and paper lodgement of all major forms required by ASIC. It supports the download and maintenance of Australian Business Registers and the preparation of company minutes and resolutions.

## QUICK AND EASY TO USE

- Electronic lodgement of all major EDGE and ECR forms including 201 and 484 forms.
- Electronic retrieval and import of the company details from ASIC.
- Easy preparation of the forms for the lodgement.
- Quick preparation of minutes and resolutions from list of templates.
- Automatic population of the forms.
- Annual review process controlled automatically.
- Unlimited number of companies.
- Integration with time sheets for automatic recording of the time spent on jobs in ASIC Register Assistant.
